HUMAN CAPITAL MANAGEMENT DEDICATED PARTNER

PREPARED: December 2025 by Christine Wzorek, CEO

SUMMARY

| HISTORY

Ready to Fund, is a relationship-driven commercial alternative lender that has undergone significant transformation in recent years.

| TRANSITION

Ready to Fund's transformation has unfolded since 2022 through systematic preparation for growth. Led by Susannah Albright, CEO, and fueled by her vision to honor the Founder, Will Albright, via his original concept - now, a modern "scaleable idea".

Ready to Fund has modernized systems, strengthened loan operations, built redundancy across departments, and successfully completed a full rebrand in 2025; including redefining its Core Values and formalizing its operating rhythm.

| HCM EVOLUTION

For the past four years, **Ready to Fund's** HR responsibilities were wrapped in as additional duties to the CEO and other leadership. Most recently, General Counsel has managed HR and the PEO relationship. This approach is now unsustainable.

| CRITICAL NEED : DEDICATED HCM PARTNER

With complexity in growth, volume, and future strategy, **Ready to Fund's** HCM requires dedicated, experiential attention and sound judgement to provide consistent execution for achievable scale.
